Description

1961 Bentley S2 Continental

- Ordered new by Ernest Scragg & Sons whose Managing Director was Phil Scragg the famed 50's racing driver and hill climb master
- Purchased in 1964 by legendary Maserati collectors Ray and Doreen Fielding and formed part of their collection for well over half a century
- True untouched, time warp example, still wearing her original paint finished in the unique and striking combination of Whitehall Grey over Rose Beige
- Breathtakingly original Scarlett interior, truly incredible state of preservation
- Recent maintenance by marque experts Frank Dale & Stepsons
