- **Exterior colour** Red
- **Car type** Coupé
- 

## Description

Original engine & Color scheme ("matching numbers" & "matching colors") !  
At its presentation at the Geneva Motor Show in spring 1966 the Miura caused a hype:  
Only 474 examples of the P400 model had been built fastidiously by hand until 1970.

The bodywork was designed by Marcello Gandini

Documents: comprehensive documentation of restoration, German registration documents
