Description

We offer this Golf on our website at www.getyourclassic.com.

This 1983 Golf 1 Convertible is one of the most desirable with the 1.8 GLi engine with 112 hp and the proven Bosch K-Jetronic.

The car was repainted in the original color 2 years ago and a brand new soft top was installed by Karmann. The car was never rebuilt or tuned as was common in the 90's, but remained in original condition. There is no rust through visible. The brakes were renewed and some other small things. The engine starts immediately at cold start and runs perfectly. The steering has no play and the transmission shifts smoothly.

This Golf 1 Cabriolet has just received a new and immaculate Tüv.

The car comes with all current paperwork, service booklet, original first vehicle letter and bills what has been done in the last decade.

This is your chance to bid on one of the most popular convertibles.

We offer this Golf on our website at www.getyourclassic.com.
