Description

"This Madison Sports was registered on 1st July 1971 and is based on a 1.2 litre Volkswagen Beetle. Finished in cream coachwork over a contrasting black leather interior, the current vendor reports that it runs and drives well and is, generally, in good order throughout. Included in the extensive history file are various sundry invoices as well as the current UK registration document. Offered at no reserve, this is a very fun and reasonably priced classic that turns heads wherever it goes. We are sure this example will bring huge amounts of fun to the new owner."
