For this two-piece collaboration, we've teamed up with our dear friend and legendary automotive photographer Ted Gushue to create some striking new designs. Editor-in-Chief at Type7 and Global Ambassador to St. Moritz, Ted has photographed almost every automotive icon you could possibly imagine.

The images which feature in our capsule are two of our favourites taken by Ted at the 2019 edition of the GP Ice Race, an almost unbelievable event held annually in St. Moritz. Trust us, there's nowhere else in the world to see a Countach drift on ice!
