Gearbox	Manual	Condition	Used
Number of seats	2	Location	
Number of doors	2	Fuel type	Petrol
Drivetrain	2wd	Exterior colour	Blue
Interior type	Leather	Car type	Convertible / Roadster

---

### Description

---

- Exclusivity
- 3.8 E type engine
- 3 X 45DCOE Webers on Lynx Manifold

Established in 1968, Lynx Motors started out restoring, maintaining and race preparation for original C type, D type and XKSSs. They went on to produce spectacular 'tool room' examples to a very high standard.

Original Lynx replicas are known to be the best in the world when it comes to representations of the Jaguar C type, D type and XKSSs, with accurately hand constructed panel work and authentically detailed interiors. Best of all, they are supremely usable.

Constructed in 1996 this Lynx XKSS creation gives all the joy of owning an XKSS at a fraction of the cost of the real thing but, with all of the exclusivity as only around 13 examples were built by the famous engineering company under the watchful eye of our own Chris Keith-Lucas. Jaguar produced just 16 examples.

This car is now displaying a lovely patina and has been used sparingly over the years so feels as fresh as the day it was built.

Do not miss this opportunity of owning and driving this iconic car.
