Number of doors	2	Exterior colour	Green
Performance	335 BHP / 340 PS / 250 kW	Car type	Convertible / Roadster
Recommended fuel type	Super Plus	Exterior brand colour	Sport Green
Urban fuel consumption	12 L/100km / 8 L/100miles	Interior brand colour	Rich Tan
Extra urban fuel consumption	6 L/100km / 4 L/100miles	Climate control	Yes
Fuel consumption combined	8 L/100km / 6 L/100miles	ABS	Yes
CO2 efficiency class	E		
Carbon dioxide emissions combined	180 G/100km / 112 G/100miles		
Drivetrain	2wd		
Interior type	Leather		

Description

After the discontinuation of the Morgan Plus 8 in 2018, a new Morgan model was presented to the public at the 2019 Geneva Motor Show: the Morgan Plus Six. The new 'CX' platform, as Morgan calls it, is based on a bonded aluminium frame 100% more rigid than its predecessor, without sacrificing the lineup's traditional look.

Built by hand in Malvern (Worcestershire, UK), all Morgan cars are still crafted using traditional methods and materials, including the world-famous ash wood structure under each car's aluminium skin. Each Plus Six can be configured in a myriad of bespoke colours and finishes, with additional options such as sports exhaust and a fibreglass hardtop.

Performance-wise, the Plus Six puts out 335bhp and can achieve a top speed of 267 kilometres per hour; accelerating to 100kmph in 4.2 seconds. With a dry weight slightly over a thousand kilos, the Plus Six is guaranteed to deliver thrills in a genuinely British package, with the enhanced performance, sophistication and reliability of a BMW B58 straight-six engine and an 8-speed ZF gearbox.

This delivery-mileage 2021 model is finished in Sport Green over a Rich Tan interior with British Blue piping. Union Jack badges, a full build record book, and a sports exhaust are some of the special options in this Dubai-delivered example.

Not your cup of tea? Feel free to configure your own through the Plus Six configurator in our website!
