If your car collection wants for nothing but a centrepiece, then the Zoute Sale 2021 with Bonhams on October 10th will be well worth a look.

Those who have been waiting for an obscure oddity to liven up the garage will want to keep an eye on the BMW Z1, or even the sublimely utilitarian Citroën 2CV Sahara AZ 4x4.

However, it's the big ticket items at the Zoute Sale 2021 that have us daydreaming about elaborate heists. The martini-liveried Alfa Romeo 75 Turbo Evolution IMSA Competition Saloon is a strong contender for coolest car up for auction, while the single-owner Ferrari F40 will no doubt be on everyone's wishlist come October 10th. We're just scratching the surface of what is another incredible lineup from Bonhams, so take a look below at our top 10 selection.
