Description

This 1984 particular fine original example finished in Winchester Blue with Magnolia leather trim is in outstanding condition with a documented 66500 miles.

The car has been upgraded to the later Vantage Ronal wheels and tyres, it also has a wood rim steering wheel.

If you are around the 6 ft 5 ins tall this car will ideally suit you as the seat has been lowered by using a different seat base.

The original seat base can be refitted if required. An outstanding good looking car with the right looks and noise to support the muscle bound image.
