This Corvette Convertible was sold new from Harry Mann Chevrolet in Los Angeles, CA on August 1, 1964. It was optioned with the L76 engine with 327ci and 365 HP, 4-speed manual gearbox, Auxiliary hardtop, Power windows, Tinted glass, Posi-traction, Off-road exhaust, AM/FM radio, and Blackwell Nylon tires. In 1973, with 11,000 miles the Corvette was sold to Mr. Donald Jensen of Humboldt, IA. The Corvette was always exceptionally well maintained and cared for and remained in Donald Jensen's ownership until 2007 having just 23,000 documented miles. The Corvette was then title transferred to Donald's son, Walter Lee Jensen. It remained with the Jensen family until 2012. It has since been owned in a large American car collection and with a good friend of Autosport Designs.

Always in proper ownership, the Corvette was left in highly original condition. Mileage is documented to be original with its full ownership history. All vin tags and body numbers are original to the car as shown in the Documented VIP "Prove It" report from David Burroughs, a full copy of which accompanies the car. They are only original once and this Corvette is dialed in and drives well. This matching numbers, original Corvette is complete with its books, jack, "Prove It" report,
