Description

Aston Martin Vanquish Zagato for sale!

Aston Martin announced a limited series production of the Aston Martin Vanquish Zagato; the latest creation from its long-standing partnership with the prestigious Italian design-house Zagato. The Vanquish Zagato Concept was unveiled to great acclaim at the prestigious Concorso d'Eleganza Villa d'Este at Lake Como, Italy in May 2016.

The Vanquish Zagato is available in 4 body styles - coupé, convertible, speedster, or shooting brake. 99 each were built of the coupé, convertible, and shooting brake, while a mere 28 speedsters were made, for a total of 325 cars.

The Vanquish Zagato features the same AM29 V12 from the Vanquish S, which has a power output of 603 HP, allowing the Vanquish Zagato to accelerate from 0 to 100 km/h in 3.5 seconds before reaching a top speed of 324 km/h.
