### Description

Superb Mini 40TH Anniversary Mulberry red!

Released in 1999 to celebrate 40 years of production, this rare and highly demanded version was produced in only 800 copies.

This limited series was created on the basis of 1.3 mpi, recognizable thanks to its specific logos and badges. They are all equipped with a very neat leather interior and the coveted corked aluminum dashboard.

Our 40th is a second hand and only accounts for 42 original km.

Like all the Mini coming out of here, the latter has been completely revised from head to toe. The body is in remarkable condition, absolutely no corrosion and the undersides are close to new!

Our Mini is sold with a 12-month warranty, expertise and the registration document in your name.
