Restored 1974 VW Beetle

We offer for sale this beautiful 1974 Volkswagen Beetle. This Beetle has recently been extensively restored by a VW specialist and is both optically and technically in very good condition. The Beetle was delivered new in the Netherlands and is powered by a 1200cc 4-cylinder engine with a fantastic sound.

This Volkswagen Beetle is really a sight to see! The light blue paint is an original Volkswagen factory colour and looks great on this classic car. The chrome is in very good condition and combines very nicely with the light blue paint. The interior has luxurious upholstery and a beautiful original dashboard with the characteristic large counter in the middle. In short, a very fully equipped Volkswagen Beetle in a beautiful colour scheme that is completely ready for many beautiful tours.
