Description

Noble Auctions is proud to present this Jaguar E-type Series I, 4,2 FHC as part of our 2021 Autumn Auction.

This is a two-owner 29.000 original-miles car. An early Series 1 4.2 Fixed Head Coupe, which means it retains the pure S1 shape and the full 265hp from the triple carbureted engine, but already left the factory with the much-improved all-synchromesh gearbox introduced with the 4.2 in 1965.

The car is fully matching numbers, cylinder head, block, gearbox and body tags are all original.

The auction is currently open for bidding and starts closing on November 23rd at 2 PM.

All the lots can be inspected on our public viewing day Tuesday, November 16th from 10 AM to 5 PM, or by appointment.
