-

Description

This fender was removed from a 911, and then converted into a display piece with famous Martini Livery. Martini Racings' first significant victories came in the year of its official debut with Porsche. Dominating the 12 hours of Sebring and, in particular, the 24 hour Le Mans race. The first world title dates from 1976 when the Porsche-Martini Racing team won both the Group 5 world championship (for series grand touring cars) and Group 6 for two-seater racing cars, in addition to the 24 Hour Le Mans.
