

CLASSIC DRIVER

Which of these 10 American all-stars would you pick up at auction?

Lead
The Auburn Auction 2022 by Worldwide Auctioneers on September 3rd is absolutely packed with eye-catching American cars. Here are 10 of our favourites.

Labelled as the “Classic Car Capital of the World”, Auburn was not only the birthplace for the collector car industry in the USA, but it’s also an automotive mecca that attracts scores of car enthusiasts every year. It should come as no surprise, then, that the [Auburn Auction 2022 hosted by Worldwide Auctioneers on September 3rd](#) is filled to the brim with tantalising examples of automotive Americana. Everything from a 2004 Ford GT to a highly accurate replica of a 1935 Miller-Ford Indy car will cross the stand, so there’s certainly no shortage of variety.

Take a look below at the ten American collector cars that caught our eye:
