## [10 reasons to buy your next Porsche with a manual gearbox](https://www.classicdriver.com/en/article/cars/10-reasons-buy-your-next-porsche-a-manual-gearbox)

### Lead

Porsche is one of the last manufacturers to offer its modern sportscars with a manual gearbox. We have found 10 stick-shifted Porsches for sale in the Classic Driver Market that promise more good old driving pleasure and value stability thanks to their rarity and popularity among collectors.

### We would love to drive any these 10 manual Porsches
