With over 3300 lots the upcoming Schuler auction on 12th - 16th December in Zurich is a treasure trove for all kinds of collectors. We were particularly taken by the assortment of elegant vintage watches for the festive season.

While Schuler is offering a broad selection of artworks, antiques, design objects and collectibles at their upcoming winter sale – [you can browse all 3338 lots in the Classic Driver Market](#) – we were particularly excited about the vintage watches we found in their catalogue. Here are the classic Patek Philippe, Rolex, Heuer and IWC watches that we would love to put on our wrist this Christmas.

### We would bid on these 10 vintage watches
